Join me in going the distance in Nature's Emporium #RunforSouthlake this year! I am participating because of [name of loved one or cause you are honouring or reason why you are participating]. The funds I raise will support the most urgent equipment needs that Southlake's clinical teams require to provide leading edge care close to home. Will you donate to help me reach my fundraising goal for our hospital? Visit my fundraising page today to make a donation: [\[link to your fundraising page\]](#)

Did you know that there are 1.5 million people who rely on Southlake Regional Health Centre for care from across York Region, South Simcoe County and as far north as Muskoka? I am participating in the 2021 Nature's Emporium #RunforSouthlake to help fund the most urgently-needed tools and equipment for patients at our hospital. Your donation to my fundraising goal will help ensure that leading edge care is available to you and your loved ones when you need it most. Please consider making a donation today at the link in my bio.
