

How to Use My Participant Centre

Thank you for joining us for the 2021 Nature's Emporium Run for Southlake Virtual Challenge. We have prepared this Guide to help you have the best event experience.

This guide will cover the following topics:

- What is the Participant Centre
- Accessing the Participant Centre
- Edit your Personal or Team Page
- Update your goals and progress

What is the Participant Centre?

The Participant Centre is the online portal where you can check your fundraising progress, send email solicitations, and update your Personal Fundraising Web Page.

On your Personal Fundraising Web Page, you can share your personal story, add a photo or a link to a YouTube video, and even add a blog. Then, you can share your webpage address with family and friends asking them to join you at the event or support your fundraising effort through a generous gift.

For our Team Captains, the Participant Centre is a great place to send encouragement to your team members by emailing them reminder emails and best practices as the event date draws closer.

Edit Your Personal or Team Page

Personal and Team Fundraising Pages have default content when you register for an event. However, we highly recommend that you personalize your page(s) to tell your own (or your team's) story and why the event is important to you. This will really help you with your fundraising efforts. Only Team Captains will have access to edit the Team Fundraising Page from their Participant Centre.

To edit your Personal Page Select "Set up your Personal Page" from the "What to do next?" list on the main page of your Participant Centre. Type your header and body text and click "Save". After you click Save, you can click away from the editor window to move away from the screen.

Update Media

Scroll down to the bottom of the Participant Centre and "Select Update Media" on the bottom right hand side. You can choose to either add a video or photo from the drop down menu. Once your image is in the editor you can rotate the image and create a caption.

Edit Your Personal Page URL

Once you've created your Personal Fundraising Page, you have your very own URL address to get there. By default this can look quite lengthy, but there is a feature inside your Participant Centre that allows you to personalize this URL which makes it easier to share with supporters. Paste the URL inside emails, on your Facebook and Twitter pages, or create small cards with this friendly URL to give supporters.

In the bottom right corner of the Participant Centre find the Personal Page box and Click URL Settings.

Update Your Goals and Progress

Throughout the Nature's Emporium Run for Southlake you will be updating your goals and updating your progress towards those goals each week. This will all be done in the profile section of the Participant Centre.

2021 Run for Southlake

Once in Profile, select "Questions" to find all of the goals you have set.

2021 Run for Southlake

Update any of your weekly challenge goals listed or add your progress towards any of the populated questions that appear in order to update your fitness trackers for the event. Your updates will be reflected on your individual fundraising page to track your progress towards your weekly challenge goals. Only the questions related to the trackers that are applicable to the current week of the Virtual Challenge will be visible.

Note: If any of the information provided upon registration has since changed, this can all be updated in either your Profile or Event Options sections.
